"Animated Nooz Pictorial No. 28".

~~Cartoon~~ by ^{Ed W}Wallace Carlson with Split
Reel Scenic.

Screen time --- 15 minutes.

The animated camera caught the latest ten round go in Swattem, N. Y., demonstrating how modern boxers do not swattem but hold a regular love-feast in the squared ring. At Lincoln, Nebr., William Jynx Bryan is shown drilling his megaphone regiment in the art of talking their enemies to death. Its a great scheme, if it works. Maggie Murphy, in Chicago, passes an examination to become a coppette by proving that she can "beat up" her "ould man." The Animated camera men offers Col. T. R. \$1,000,000 to act in the silent drama. The Colonel declines. He can't act without talking, he says. A trip through the Soo Canal, picturing the great Canadian grain elevators, steel mills and shipping industry forms the other half of the reel.
